This Agreement has been duly authorized by all necessary corporate action on the Customer's part, has been duly executed and delivered on the Customer's behalf by the Customer's proper officers duly authorized in that regard, and constitutes a legal, valid and binding agreement and is enforceable against the Customer in accordance with its terms.
- h. **Upholding Agreement.** The execution, delivery, observance and performance of this Agreement does not and will not result in a breach, constitute a default under, or contravene any provision of any agreement, indenture or other instrument to which the Customer is a party or by which the Customer or any of the Customer's property or assets may be bound or affected.
- i. **No Actions or Proceedings.** There are no actions, suits or proceedings pending or, to the best of the Customer's knowledge, threatened in any court or tribunal or before any competent authority against the Customer or any of the Customer's property or assets which, in the Customer's reasonable and bona fide opinion may have a material adverse effect on the Customer's financial condition or business.
- j. **Ownership, Credit and Security Interest.** You agree that:
- If more than one customer is named on the account, each of you is individually liable, and all of you are collectively liable, for all obligations imposed on you by this Agreement;
 - Arctic is the owner of the Water Heater and that title is not being transferred to you. The Water Heater does not become a fixture, and you will not tamper with any identification(s) or labels(s) identifying the Water Heater as rented equipment or that it is owned by Arctic;

You agree to keep the Water Heater free of all liens, security interest, mortgages and other claims.
6. **Use & Care Manual.** The Water Heater may be equipped with flammable vapour ignitions resistant ("FVIR") technology. Arctic encourages you to read the Water Heater Use & Care Manual provided to you upon or after installation of the Water Heater. Certain activities such as, without limitation, painting or using solvents could cause the FVIR technology to "lockout" the Water Heater causing it to no longer function until reset by a qualified service technician. Resetting the Water Heater caused by FVIR "lockout" is not covered by Arctic under this Agreement and, if applicable, you will be charged for both parts and labour at our then current rates.
7. **Sale of Premises.** If you sell or otherwise transfer the Premises, you are required to inform the transferee, at or before the effective date of the sale or transfer, of the existence of this Agreement and the rental Water Heater installed in the Premises. You hereby authorize Arctic to respond to information requests relating to your account made by or on behalf of the transferee

8. **Warranties & Liability**

- Warranties.** Arctic make no representations, warranties or conditions as to performance of the Water Heater except for those which are given by statute and which you cannot waive and except any express warranties provided by the manufacturer of the Water Heater, except as provided below. 11. **Termination by Arctic.** In the event of a Default, Arctic may terminate this Agreement and, in addition to any other right we may have at law or otherwise, may bill you for the applicable buyout price (the "Buyout Price") and on the other terms set out below under "Termination by You". You agree to pay the Buyout Price when invoiced by Arctic.
12. **Termination by You.** Your sole method of terminating this Agreement prior to the end of the useful life of the Water Heater is to purchase the Water Heater. You may purchase the Water Heater at any time for a Buyout Price that reflects, among other things, the unpaid cost of the Water Heater and related installation, finance and servicing costs, plus applicable provincial and governmental sales taxes. You may contact Arctic at any time to confirm the Buyout Price. You may exercise your buyout option by notifying Arctic in writing or by calling Arctic at any time. When you exercise the buyout option, you accept the Water Heater on an "as-is, where is" basis, subject to the balance of any transferable manufacturer's warranty, and you assume full responsibility for the Water Heater and its repair and maintenance. You also agree to pay the Buyout Price when invoiced by Arctic. 14. **Assignments.** Arctic may transfer, assign, encumber or otherwise dispose of all or any part of its interest in this Agreement and/or the Water Heater to another party at any time without notice to you and without your permission. To the extent permitted by law, you will not assert against Arctic any transferee any claims, defences, set-offs, deductions or counter-claims which you may now or in the future be entitled to assert against Arctic. Except as otherwise provided in this Agreement, you may not transfer, assign or encumber all or part of your interest in this Agreement or the Water Heater without Arctic's prior written consent
15. **Force Majeure.** If Arctic is unable to perform any of its obligations under this Agreement because of circumstances or events beyond Arctic's control, Arctic shall be excused from the performance of such obligations for the duration of such circumstances or events and shall not be liable to the Customer for such failure to perform.
16. **Survival.** All of the Customer's obligations under this Agreement will survive the termination of this Agreement to the extent required for their full observance and performance.
17. **Waiver.** No waiver by Arctic of any default under this Agreement or any of Arctic's remedies will be effective unless in writing. Any such waiver is not a waiver by Arctic of any other later default, whether similar or not, or a waiver of Arctic's right to exercise Arctic's remedies in the future.
18. **Statutory Waiver.** The Customer waives its right to receive a copy of any financing statement registered by Arctic and of any related verification statement

23. **Provision.** If any provision of this Agreement or the application thereof to any person or circumstance is held to be invalid or unenforceable, such provision shall be severed and the remainder of this Agreement shall continue to remain in full force and effect subject to such modifications as may be necessary to carry out the provisions and intent of this Agreement.
24. **Governing Law.** This Agreement will be governed by and construed in accordance with the Laws of the Province of Ontario and federal laws of Canada, as applicable, and the Customer further agrees that all disputes arising in connection with this Agreement shall be determined exclusively by the courts in the Province of Ontario

WARRANTY INFORMATION FOR
NEW FREEHOLD HOMES

This information sheet provides a basic overview of the warranties and protections that come with your new home. This warranty is provided to you by your builder and backed by Tarion. Register your purchase agreement! See Important Next Steps below. For more detailed information, visit [tarion.com](https://www.tarion.com) and log into our online learning hub at <https://www.tarion.com/homeowners/homeowner-resources-hub>

The Pre-Delivery Inspection (PDI)

Before you take possession of your new home, your builder is required to conduct a predelivery inspection (PDI) with you or someone you designate to act on your behalf. If you wish, you may be accompanied by someone who can provide expert assistance. The PDI is important because it is an opportunity to learn about how to operate and maintain parts of your home, such as the ventilation, plumbing, and heating systems. It is also important because it gives you an opportunity to note items in your home that are damaged, missing, incomplete, or not working properly before you take possession of your home. This record is also significant as it may help show what items may have been damaged before you moved in and helps resolve any disputes relating to whether or not an item of damage was caused by the use of the home.

The PDI is only one piece of evidence relating to damaged or incomplete Items, and you should note and document (e.g. via photos or video) any concerns or damaged items as soon as you notice them after taking possession if they were missed on your PDI. If the damaged items are not addressed by your builder, you can include them in your 30-Day Form to Tarion. Damaged items are covered under the warranty if the damage was caused by the builder or their trades. There is more information about the PDI here: <https://www.tarion.com/homeowners/homeowner-resources-hub>

Deposit Protection

The deposit you provide to your builder is protected up to certain limits if your builder goes bankrupt, fundamentally breaches your Agreement of Purchase and Sale or you exercise your legal right to terminate it. Deposit coverage limits are \$60,000 if the purchase price is \$600,000 or less and 10% of purchase price to a maximum of \$100,000 if the purchase price is over \$600,000. This protection includes the money you put down towards upgrades and other extras.

Delayed Closing Coverage

Your builder guarantees that your home will be ready for you to move in by a date specified in the Agreement of Purchase and Sale or a date that has been properly extended (if for certain reasons the original closing date cannot be met). You may be able to claim up to \$7,500 from your builder in compensation if they do not meet the conditions for an allowable extension that are outlined in the Addendum to your Agreement of Purchase and Sale.

Warranty Coverage

The warranty on work and materials commences on your occupancy date and provides up to a maximum of \$400,000 in coverage. There are limitations on scope and duration as follows. Your builder warrants that your home will, on delivery, have these warranties:

One-Year Warranty

- Your home is constructed in a workmanlike manner, free from defects in material, is fit for habitation and complies with Ontario's Building Code
- Protects against unauthorized substitution of items specified in the Agreement of Purchase and Sale or selected by you

Two-Year Warranty

- Protects against water penetration through the basement or foundation walls, windows, and the building envelope
- Covers defects in work and materials in the electrical, plumbing, and heating delivery and distribution systems
- Covers defects in work and materials that result in the detachment, displacement, or deterioration of exterior cladding (such as brock work. Aluminum, or vinyl siding)
- Protects against violations of Ontario's Building Code that affect health and safety

Seven-Year Warranty

- Protects against defects in work or materials that affect a structural load-bearing element of the home resulting in structural failure or that materially and adversely compromise the structural integrity; and/or that materially and adversely affect the use of a significant portion of the home.

Warranty Exclusions

Your warranty, provided to you by your builder and backed by Tarion, is a limited warranty – not all deficiencies are covered. And the protection provided by Tarion is also limited. Exclusions to coverage include: normal wear and tear, damage caused by improper maintenance, damage caused by a third party, secondary damage caused by defects that are under warranty, supplementary warranties, deficiencies caused by homeowner actions, elevators, HVAC appliances, specific defects accepted in writing and damage resulting from an Act of God

Construction Performance Guidelines

The Construction Performance Guidelines are a resource to provide advance guidance as to how Tarion may decide disputes between homeowners and builders regarding defects in work or materials. The Construction Performance Guidelines are intended to complement Ontario's Building Code. They are supplemented by any applicable guidelines or standards produced by industry associations. They do not replace manufacturer warranties. The Construction Performance Guidelines are available in several different formats accessible via <https://tarion.com/builders/construction-performance-guidelines>

Note : Anytime a Critical Date is set or changed as permitted in the Addendum, other Critical Dates may change as well. At any given time the parties must refer to: the most recent revised Statement of Critical Dates; or agreement or written notice that sets a Critical Date, and calculate revised Critical Dates using the formulas contained in the Addendum. Critical Dates can also change if there are unavoidable delays (see section 5 of the Addendum).

SETTING AND CHANGING CRITICAL DATES

1. Setting Tentative Closing Dates and the Firm Closing Date

- a) **Completing Construction Without Delay:** The Vendor shall take all reasonable steps to complete construction of the home on the Property and to Close without delay.
- b) **First Tentative Closing Date:** The Vendor shall identify the First Tentative Closing Date in the Statement of Critical Dates attached to the Addendum at the time the Purchase Agreement is signed.
- c) **Second Tentative Closing Date:** The Vendor may choose to set a Second Tentative Closing Date that is no later than 120 days after the First Tentative Closing Date. The Vendor shall give written notice of the Second Tentative Closing Date to the Purchaser at least 90 days before the First Tentative Closing Date, or else the First Tentative Closing Date shall for all purposes be the Firm Closing Date.
- d) **Firm Closing Date:** The Vendor shall set a Firm Closing Date, which can be no later than 120 days after the Second Tentative Closing Date or, if a Second Tentative Closing Date is not set, no later than 120 days after the First Tentative Closing Date. If the Vendor elects not to set a Second Tentative Closing Date, the Vendor shall give written notice of the Firm Closing Date to the Purchaser at least 90 days before the First Tentative Closing Date, or else the First Tentative Closing Date shall for all purposes be the Firm Closing Date. If the Vendor elects to set a Second Tentative Closing Date, the Vendor shall give written notice of the Firm Closing Date to the Purchaser at least 90 days before the Second Tentative Closing Date, or else the Second Tentative Closing Date shall for all purposes be the Firm Closing Date.
- e) Notice: Any notice given by the Vendor under paragraphs (c) and (d) above, must set out the stipulated Critical Date, as applicable.

2. Changing the Firm Closing Date – Three Ways

- a) The Firm Closing Date, once set or deemed to be set in accordance with section 1, can be changed only:
 - (i) by the Vendor setting a Delayed Closing Date in accordance with section 3;
 - (ii) by the mutual written agreement of the Vendor and Purchaser in accordance with section 4; or
 - (iii) as the result of an Unavoidable Delay of which proper written notice is given in accordance with section 5
- b) If a new Firm Closing Date is set in accordance with section 4 or 5, then the new date is the "Firm Closing Date" for all purposes in this Addendum.

3. Changing the Firm Closing Date – By Setting a Delayed Closing Date

- a) If the Vendor cannot Close on the Firm Closing Date and sections 4 and 5 do not apply, the Vendor shall select and give written notice to the Purchaser of a Delayed Closing Date in accordance with this section, and delayed closing compensation is payable in accordance with section 7.
- b) The Delayed Closing Date may be any Business Day after the date the Purchaser receives written notice of the Delayed Closing Date but not later than the Outside Closing Date.
- c) The Vendor shall give written notice to the Purchaser of the Delayed Closing Date as soon as the Vendor knows that it will be unable to Close on the Firm Closing Date, and in any event at least 10 days before the Firm Closing Date, failing which delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date, in accordance with paragraph 7(c). If notice of a new Delayed Closing Date is not given by the Vendor before the Firm Closing Date, then the new Delayed Closing Date shall be deemed to be the date which is 90 days after the Firm Closing Date.
- d) After the Delayed Closing Date is set, if the Vendor cannot Close on the Delayed Closing Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Closing Date, unless the delay arises due to Unavoidable Delay under section 5 or is mutually agreed upon under section 4, in which case the requirements of those sections must be met. Paragraphs (b) and (c) above apply with respect to the setting of the new Delayed Closing Date.
- e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 10.

4. Changing Critical Dates – By Mutual Agreement

- a) This Addendum sets out a framework for setting, extending and/or accelerating Critical dates, which cannot be altered contractually except as set out in this section 4. Any amendment not in accordance with this section is voidable at the option of the Purchaser.
- b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend any of the Critical Dates. Any amendment which accelerates or extends any of the Critical Dates must include the following provisions:
 - (i) the Purchaser and Vendor agree that the amendment is entirely voluntary – the Purchaser has no obligation to sign the amendment and each understands that this purchase transaction will still be valid if the Purchaser does not sign this amendment;
 - (ii) the amendment includes a revised Statement of Critical Dates which replaces the previous Statement of Critical Dates;
 - (iii) the Purchaser acknowledges that the amendment may affect delayed closing compensation payable; and

(iv) if the change involves extending either the Firm Closing Date or the Delayed Closing Date, then the amending agreement shall:

- i. disclose to the Purchaser that the signing of the amendment may result in the loss of delayed closing compensation as described in section 7;
- ii. unless there is an express waiver of compensation, describe in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation; and
- iii. contain a statement by the Purchaser that the Purchaser waives compensation or accepts the compensation referred to in clause ii above, in either case, in full satisfaction of any delayed closing compensation payable by the Vendor for the period up to the new Firm Closing Date or Delayed Closing Date.

If the Purchaser for his or her own purposes requests a change of the Firm Closing Date or the Delayed Closing Date, then subparagraphs (b)(i), (iii) and (iv) above shall not apply.

- c) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Closing Date or Delayed Closing Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Closing Date or Delayed Closing Date, as the case may be. Delayed closing compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- d) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

5. Extending Dates – Due to Unavoidable Delay

- a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed closing compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 20 days thereafter; and the next Critical Date.
- c) As soon as reasonably possible, and no later than 20 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Closing Date or Delayed Closing Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Closing Date or Delayed Closing Date, and the other party's consent to the earlier date shall not be unreasonably withheld.
- d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph (c) above, then the notice is ineffective, the existing Critical Dates are unchanged, and any delayed closing compensation payable under section 7 is payable from the existing Firm Closing Date.
- e) Any notice setting new Critical Dates given by the Vendor under this section shall include an updated revised Statement of Critical Dates.

EARLY TERMINATION CONDITIONS

6. Early Termination Conditions
- a) The Vendor and Purchaser may include conditions in the Purchase Agreement that, if not satisfied, give rise to early termination of the Purchase Agreement, but only in the limited way described in this section.
- b) The Vendor is not permitted to include any conditions in the Purchase Agreement other than: the types of Early Termination Conditions listed in Schedule A; and/or the conditions referred to in paragraphs (j), (k) and (l) below. Any other condition included in a Purchase Agreement for the benefit of the Vendor that is not expressly permitted under Schedule A or paragraphs (j), (k) and (l) below is deemed null and void and is not enforceable by the Vendor, but does not affect the validity of the balance of the Purchase Agreement.
- c) The Vendor confirms that this Purchase Agreement is subject to Early Termination Conditions that, if not satisfied (or Yes **X**No
waived, if applicable), may result in the termination of the Purchase Agreement.
- d) If the answer in (c) above is "Yes", then the Early Termination Conditions are as follows. The obligation of each of the Purchaser and Vendor to complete this purchase and sale transaction is subject to satisfaction (or waiver, if applicable) of the following conditions and any such conditions set out in an appendix headed "Early Termination Conditions":

Condition #1 (if applicable)

Description of the Early Termination Condition:

NOT APPLICABLE

The Approving Authority (as that term is defined in Schedule A) is:

The date by which Condition #1 is to be satisfies is the Day of 20

Condition #2 (if applicable)

Description of the Early Termination Condition:

NOT APPLICABLE

The Approving Authority (as that term is defined in Schedule A) is:

The date by which Condition #2 is to be satisfies is the Day of 20

The date for satisfaction of any Early Termination Condition may be changed by mutual agreement provided in all cases it is set at least 90 days before the First Tentative Closing Date, and will be deemed to be 90 days before the First Tentative Closing Date if no date is specified or if the date specified is later than 90 days before the First Tentative Closing Date. This time limitation does not apply to the condition in subparagraph 1(b)(iv) of Schedule A which must be satisfied or waived by the Vendor within 60 days following the later of: (A) the signing of the Purchase Agreement; and (B) the satisfaction or waiver by the Purchaser of a Purchaser financing condition permitted under paragraph (l) below.

Note: The parties must add additional pages as an appendix to this Addendum if there are additional Early Termination Conditions.

- e) There are no Early Termination Conditions applicable to this Purchase Agreement other than those identified in subparagraph (d) above and any appendix listing additional Early Termination Conditions.
- f) The Vendor agrees to take all commercially reasonable steps within its power to satisfy the Early Termination Conditions identified in subparagraph (d) above.
- g) For conditions under paragraph 1(a) of Schedule A the following applies:
 - (i) conditions in paragraph 1(a) of Schedule A may not be waived by either party;
 - (ii) the Vendor shall provide written notice not later than five (5) Business Days after the date specified for satisfaction of a condition that: (A) the condition has been satisfied; or (B) the condition has not been satisfied (together with reasonable details and backup materials) and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed not satisfied and the Purchase Agreement is terminated.
- h) For conditions under paragraph 1(b) of Schedule A the following applies:
 - (i) conditions in paragraph 1(b) of Schedule A may be waived by the Vendor;
 - (ii) the Vendor shall provide written notice on or before the date specified for satisfaction of the condition that: (A) the condition has been satisfied or waived; or (B) the condition has not been satisfied nor waived, and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed satisfied or waived and the Purchase Agreement will continue to be binding on both parties.
- i) If a Purchase Agreement or proposed Purchase Agreement contains Early Termination Conditions, the Purchaser has three (3) Business Days after the day of receipt of a true and complete copy of the Purchase Agreement or proposed Purchase Agreement to review the nature of the conditions (preferably with legal counsel). If the Purchaser is not satisfied, in the Purchaser's sole discretion, with the Early Termination Conditions, the Purchaser may revoke the Purchaser's offer as set out in the proposed Purchase Agreement, or terminate the Purchase Agreement, as the case may be, by giving written notice to the Vendor within those three Business Days.
- j) The Purchase Agreement may be conditional until Closing (transfer to the Purchaser of title to the home), upon compliance with the subdivision control provisions (section 50) of the Planning Act, which compliance shall be obtained by the Vendor at its sole expense, on or before Closing.
- k) The Purchaser is cautioned that there may be other conditions in the Purchase Agreement that allow the Vendor to terminate the Purchase Agreement due to the fault of the Purchaser.
- l) The Purchase Agreement may include any condition that is for the sole benefit of the Purchaser and that is agreed to by the Vendor (e.g., the sale of an existing dwelling, Purchaser financing or a basement walkout). The Purchase Agreement may specify that the Purchaser has a right to terminate the Purchase Agreement if any such condition is not met, and may set out the terms on which termination by the Purchaser may be effected.

MAKING A COMPENSATION CLAIM

7. Delayed Closing Compensation

- a) The Vendor warrants to the Purchaser that, if Closing is delayed beyond the Firm Closing Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 4 and 5), then the Vendor shall compensate the Purchaser up to a total amount of \$7,500, which amount includes: (i) payment to the Purchaser of a set amount of \$150 a day for living expenses for each day of delay until the date of Closing; or the date of termination of the Purchase Agreement, as applicable under paragraph (b) below; and (ii) any other expenses (supported by receipts) incurred by the Purchaser due to the delay.
- b) Delayed closing compensation is payable only if: (i) Closing occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraph 10(b) of this Addendum. Delayed closing compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Closing, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the ONHWP Act.
- c) If the Vendor gives written notice of a Delayed Closing Date to the Purchaser less than 10 days before the Firm Closing Date, contrary to the requirements of paragraph 3(c), then delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date.
- d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed closing compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed closing compensation in connection with a claim.
- e) If delayed closing compensation is payable, the Purchaser may make a claim to the Vendor for that compensation after Closing or after termination of the Purchase Agreement, as the case may be, and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed closing compensation payable based on the rules set out in section 7 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgement signed by both parties which:
- (i) includes the Vendor's assessment of the delayed closing compensation payable;
 - (ii) describes in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"), if any; and
 - (iii) contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delay compensation payable by the Vendor.
- f) If the Vendor and Purchaser cannot agree as contemplated in paragraph 7(e), then to make a claim to Tarion the Purchaser must file a claim with Tarion in writing within one (1) year after Closing. A claim may also be made and the same rules apply if the sale transaction is terminated under paragraph 10(b), in which case, the deadline for a claim is one (1) year after termination.

8. Adjustments to Purchase Price

Only the items set out in Schedule B (or an amendment to Schedule B), shall be the subject of adjustment or change to the purchase price or the balance due on Closing. The Vendor agrees that it shall not charge as an adjustment or readjustment to the purchase price of the home, any reimbursement for a sum paid or payable by the Vendor to a third party unless the sum is ultimately paid to the third party either before or after Closing. If the Vendor charges an amount in contravention of the preceding sentence, the Vendor shall forthwith readjust with the Purchaser. This section shall not: restrict or prohibit payments for items disclosed in Part I of Schedule B which have a fixed fee; nor shall it restrict or prohibit the parties from agreeing on how to allocate as between them, any rebates, refunds or incentives provided by the federal government, a provincial or municipal government or an agency of any such government, before or after Closing.

MISCELLANEOUS

9. Ontario Building Code – Conditions of Closing

- a) On or before Closing, the Vendor shall deliver to the Purchaser:
- (i) an Occupancy Permit (as defined in paragraph (d)) for the home; or
 - (ii) if an Occupancy Permit is not required under the Building Code, a signed written confirmation by the Vendor that all conditions of occupancy under the Building Code have been fulfilled and occupancy is permitted under the Building Code.
- b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for one or more prerequisites to obtaining permission for occupancy under the Building Code, (the "Purchaser Occupancy Obligations"):

- (i) the Purchaser shall not be entitled to delayed closing compensation if the reason for the delay is that the Purchaser Occupancy Obligations have not been completed;
 - (ii) the Vendor shall deliver to the Purchaser, upon fulfilling all prerequisites to obtaining permission for occupancy under the Building Code (other than the Purchaser Occupancy Obligations), a signed written confirmation that the Vendor has fulfilled such prerequisites; and
 - (iii) if the Purchaser and Vendor have agreed that such prerequisites (other than the Purchaser Occupancy Obligations) are to be fulfilled prior to Closing, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the date of Closing.
- c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(ii), the Vendor shall set a Delayed Closing Date (or new Delayed Closing Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(ii), as the case may be. In setting the Delayed Closing Date (or new Delayed Closing Date), the Vendor shall comply with the requirements of section 3, and delayed closing compensation shall be payable in accordance with section 7. Despite the foregoing, delayed closing compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(ii) above is because the Purchaser has failed to satisfy the Purchaser Occupancy Obligations.
- d) For the purposes of this section, an "Occupancy Permit" means any written or electronic document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the *Building Code Act*) or a person designated by the chief building official, that evidences that permission to occupy the home under the Building Code has been granted.

10. Termination of the Purchase Agreement

- a) The Vendor and the Purchaser may terminate the Purchase Agreement by mutual written agreement. Such written mutual agreement may specify how monies paid by the Purchaser, including deposit(s) and monies for upgrades and extras are to be allocated if not repaid in full.
- b) If for any reason (other than breach of contract by the Purchaser) Closing has not occurred by the Outside Closing Date, then the Purchaser has 30 days to terminate the Purchase Agreement by written notice to the Vendor. If the Purchaser does not provide written notice of termination within such 30-day period then the Purchase Agreement shall continue to be binding on both parties and the Delayed Closing Date shall be the date set under paragraph 3(c), regardless of whether such date is beyond the Outside Closing Date.
- c) If: calendar dates for the applicable Critical Dates are not inserted in the Statement of Critical Dates; or if any date for Closing is expressed in the Purchase Agreement or in any other document to be subject to change depending upon the happening of an event (other than as permitted in this Addendum), then the Purchaser may terminate the Purchase Agreement by written notice to the Vendor.
- d) The Purchase Agreement may be terminated in accordance with the provisions of section 6.
- e) Nothing in this Addendum derogates from any right of termination that either the Purchaser or the Vendor may have at law or in equity on the basis of, for example, frustration of contract or fundamental breach of contract.
- f) Except as permitted in this section, the Purchase Agreement may not be terminated by reason of the Vendor's delay in Closing alone.

11. Refund of Monies Paid on Termination

- a) If the Purchase Agreement is terminated (other than as a result of breach of contract by the Purchaser), then unless there is agreement to the contrary under paragraph 10(a), the Vendor shall refund all monies paid by the Purchaser including deposit(s) and monies for upgrades and extras, within 10 days of such termination, with interest from the date each amount was paid to the Vendor to the date of refund to the Purchaser. The Purchaser cannot be compelled by the Vendor to execute a release of the Vendor as a prerequisite to obtaining the refund of monies payable as a result of termination of the Purchase Agreement under this paragraph, although the Purchaser may be required to sign a written acknowledgement confirming the amount of monies refunded and termination of the purchase transaction. Nothing in this Addendum prevents the Vendor and Purchaser from entering into such other termination agreement and/or release as may be agreed to by the parties.
- b) The rate of interest payable on the Purchaser's monies is 2% less than the minimum rate at which the Bank of Canada makes short-term advances to members of Canada Payments Association, as of the date of termination of the Purchase Agreement.
- c) Notwithstanding paragraphs (a) and (b) above, if either party initiates legal proceedings to contest termination of the Purchase Agreement or the refund of monies paid by the Purchaser, and obtains a legal determination, such amounts and interest shall be payable as determined in those proceedings.

In the event realty taxes have not been individually apportioned or assessed in respect of this Property and remain en bloc, then notwithstanding that such en bloc taxes may be outstanding and unpaid, the Purchaser covenants to complete this transaction and accept the Vendor's undertaking to pay realty taxes once individually assessed against this Property and agrees to pay on Closing a deposit to be readjusted and to be applied on account of the Purchaser's portion of realty taxes applicable to this Property. Municipal realty tax re-assessment and/or supplementary tax bills relating to the Dwelling constructed on the Property issued subsequent to the Closing shall be the sole responsibility of the Purchaser. Notwithstanding the foregoing, **the Vendor shall not be obliged to make any readjustment of the foregoing deposit in the event that such readjustment is equal to or less than \$150.00**.

If the amounts owing under this subsection are attributable, assessed against, charged or imposed against the Subdivision as a whole and not against the whole or any part of the Property separately, then the Vendor shall be entitled to a reimbursement for the foregoing, as may be apportioned by the Vendor equally among all lots within the Subdivision or in such other manner as the Vendor may elect, acting reasonably. Notwithstanding the foregoing, said amounts shall be **capped at \$15,000.00 plus applicable taxes**. The Vendor may reserve a Vendor's Lien, following the Vendor's usual form, for unpaid purchase monies or adjustments or claims herein provided together with the interest thereon as provided for herein, and the Purchaser covenants and agrees to forthwith pay all costs in relation to said Vendor's Lien including, without limitation, the Vendor's solicitor's legal fees and disbursements and the cost to register said Vendor's Lien on title to the Property. Such compiled list to be signed by the Vendor and the Purchaser and/or the Purchaser's designate, and the Purchaser shall not under any circumstances be responsible for the cost of repair, rectification or replacement of such existing damages or defects and the Vendor shall not apply any portion of the Security Deposit paid by the Purchaser in compliance with this Agreement in respect of the repair, rectification or replacement of any such existing damages to the subdivision services. The Subdivider's consulting engineer for this subdivision shall be the authority for the development of the subdivision as a whole and will determine responsibility and damages and costs therefore and in the event that the Subdivider's consulting engineer determines the responsibility for the cost of repair, rectification and/or replacement is that of the Purchaser, then the Vendor will charge the Purchaser accordingly, save and except for those items listed on inspection as noted herein and the Purchaser agrees to abide by such engineer's decision and the Vendor will deduct the cost of such repair, rectification or replacement from the Security Deposit relevant thereto. Should the cost of such repairs, rectification or replacement EXCEED the value of the Security Deposit, then the Vendor shall be entitled to compensation from the Purchaser for the difference between the Security Deposit and such costs and the Purchaser shall pay such shortfall amount upon demand by the Vendor. The Security Deposit, (or any balance thereof after applicable deductions as herein described) shall be released to the Purchaser(s) named in this Agreement AFTER the event of Municipal Assumption of Subdivision Services.

2. SUBDIVISION MATTERS

- a) The Vendor, the subdivider (the "Subdivider") of the plan of subdivision in which the Property is situate or their servants or agents may, for such period after Closing as is designated by the Subdivider and/or Vendor, enter upon the Property at all reasonable hours to enable completion or correction of sodding, fencing, corner lot screens or fences, subdivision aesthetic enhancement features, to inspect, repair, complete or rectify construction, grade and undertake modifications to the surface drainage, including installation of catch basins, without liability therefor, and the Transfer/Deed may contain such provisions.

If the Vendor has not undertaken to pave or finish the driveway pursuant to this Agreement, the Purchaser shall not pave or finish the driveway without the prior written consent of the Vendor and the prior written consent of the Subdivider and the Municipality, if required by a subdivision agreement or any other municipal agreement. Following such approval and prior to completing the driveway, the Purchaser shall notify the Vendor in writing so that water keys/boxes can be located and raised, if necessary. The Purchaser covenants and agrees not to damage or alter any subdivision service and shall be liable for the cost of rectification of any such damage or alteration, and in the event same is not paid upon demand, the Vendor shall have the right to register a lien on title to secure such payment. The Purchaser agrees that neither the Purchaser(s) nor their successors or assigns shall construct or install a swimming pool, hot tub, underground sprinkler system, fencing, decking, curbs, retaining walls, landscape rocks, trees, shrubs, gazebos or other structures, nor shall the Purchaser alter or widen the driveway upon the Property until after the Vendor has obtained acceptance of lot grading from the Municipality and the Subdivider and after the Purchaser has made due application for (if applicable) any permits required for such work to the Municipality or any other authority with jurisdiction. The Purchaser agrees to remove such additions and/or improvements at its own cost upon the Vendor's request, failing which the Vendor may remove same at the Purchaser's expense. Any changes to the grading in contravention of the foregoing by the Purchaser shall result in the forfeiture of the Security Deposit and the Purchaser shall reimburse the Vendor for any costs over and above the Security Deposit resulting from the Purchaser's contravention of the foregoing.
- c) The Purchaser acknowledges that construction of the Dwelling may be subject to the requirements of the architect appointed by the Subdivider and/or the Vendor (the "Subdivider's Architect") and the Purchaser agrees to accept the Property subject to any changes, variations or restrictions now or hereafter imposed by the Subdivider or Subdivider's Architect.
- d) The Purchaser acknowledges that the dimensions of the Property set out in this Agreement or on any schedule attached hereto or shown on drawings or plans made available to the Purchaser on site or otherwise are approximate only. In the event the frontage, depth or area of the Property is varied from those specified in the Agreement, or on any schedule attached hereto or shown on drawings or plans made available to the Purchaser on site or otherwise, as aforesaid, or any or all of the foregoing and provided the Property complies with municipal and other governmental requirements including zoning by-laws, the Purchaser agrees to accept all such variations without claim for abatement in the Purchase Price and this Agreement shall be read with all amendments required thereby. In addition to the foregoing, if minor variations to the size of the Dwelling including internal dimensions of any areas are made to the Dwelling the Purchaser shall accept such minor variations without any abatement to the Purchase Price.
- e) All exterior elevations and colours are architecturally controlled and approved. No changes whatsoever will be permitted to the aforementioned prior to assumption of the Subdivision by the Municipality, and the Purchaser hereby acknowledges notice of same and agrees to accept the exterior elevation and colour scheme as architecturally controlled and approved. Any changes to the aforementioned by the Purchaser shall result in the forfeiture of the Security Deposit and the Purchaser shall reimburse the Vendor for any costs over and above said deposits resulting from the aforementioned Purchaser's changes and any obligation imposed upon the Vendor by any authority with jurisdiction to restore such architecturally controlled and approved colours and/or finishes.

- f) The Purchaser acknowledges and agrees that in the event the Dwelling being purchased herein is a semi-detached or townhouse dwelling unit, the lot or block upon which such dwelling unit is constructed will not necessarily be divided equally but may instead be divided in unequal proportions. The Purchaser agrees to accept any such unequal division of such lot or block.
- g) Subdivision esthetic enhancements such as boulevard treatments, landscaping (including tree planting), entrance features, or corner lot fencing, or fences or retaining walls may be erected/placed/installed within the Subdivision in accordance with municipally approved plans. Such subdivision esthetic enhancements may not necessarily apply to/benefit all dwellings within the Subdivision. The erection/placement/installation and/or spacing of subdivision esthetic enhancements such as municipal trees and/or privacy fencing may be sporadic in accordance with municipally approved plans and the overall design objectives of the Municipality/Subdivider. Purchasers who do not receive/benefit from any subdivision esthetic enhancements such as a municipal tree or privacy fencing are not entitled to any refund/abatement of any sums payable to the Vendor hereunder. In the event this Agreement, any schedule hereto or other matter obligates the Vendor to install or provide any of the features set out herein, such matters will be provided and installed at the times determined by the Vendor and shall not comprise outstanding deficiencies or matters with respect to the completion of the Dwelling, and the Purchaser specifically acknowledges, covenants and agrees that any such features shall be installed at the times determined by the Vendor in its sole and absolute discretion.

3. CONSTRUCTION

- a) The Vendor will construct (if not already constructed) and complete upon the Property a dwelling (the "Dwelling") of the type hereinbefore indicated in accordance with the plans of the Vendor therefore and filed or to be filed with the Municipality in order to obtain a building permit and the specifications set out in Schedule "A" annexed hereto. The Dwelling shall be deemed to be completed for the purposes of Closing when the requirements of the Taron Addendum and Statement of Critical Dates have been met and the Purchaser agrees in such case to close this transaction, without holdback of any part of the Purchase Price, on the Vendor's undertaking given pursuant to section headed "COMPLETION AND ONTARIO NEW HOME WARRANTIES INSPECTION" hereof to complete the Dwelling, and the Purchaser hereby agrees to accept the Vendor's covenant of indemnity regarding lien claims which are the responsibility of the Vendor, its trades and/or suppliers, in full satisfaction of the Purchaser's rights under the Construction Lien Act, and will not claim any lien holdback on the Closing Date. If by reason of "Unavoidable Delay" as defined in or as otherwise permitted by the Taron Addendum and Statement of Critical Dates the Vendor is required to extend the Closing, the Vendor shall be entitled to extend the Closing provided the Vendor complies with the provisions of the Taron Addendum and Statement of Critical Dates in respect of such extensions. The Dwelling shall be deemed to be completed when all interior work has been substantially completed as determined by the Vendor and provided that the provisions of paragraph 9 of the Taron Addendum and Statement of Critical Dates attached hereto have been complied with. The Purchaser agrees to complete this transaction notwithstanding any claims submitted to the Vendor and/or Taron or otherwise in respect of apparent deficiencies or incomplete work.
- b) Acceptance of construction, siting and grading by the Municipality shall conclusively constitute acceptance by the Purchaser. The Vendor shall have the right to substitute materials for those designated in the plans and/or specifications provided the quality is equal or better, and also to make minor changes in plans, siting and specifications, provided there is no objection from the Municipality.
- c) The Purchaser acknowledges and agrees that architectural control of external elevations, driveway construction and location, boulevard tree planting, landscaping, acoustical barriers, corner lot fencing (including the location of such acoustical barriers and corner lot fencing), exterior colour schemes, corner lot and rear lot treatments, or any other matter external to the Dwelling designed to enhance the aesthetics of the community as a whole, may be imposed by the Municipality and/or the Vendor/Subdivider. In the event the Vendor is required, in compliance with such architectural control requirements, to construct an external elevation for this Dwelling other than as specified in this Agreement, or amend the driveway construction, boulevard tree planting or landscaping plan for this Dwelling (all of which is hereinafter referred to as the "Amended Elevation"), the Purchaser hereby irrevocably authorizes the Vendor to complete the Dwelling herein including the required Amended Elevation, and the Purchaser hereby irrevocably agrees to accept such Amended Elevation in lieu of the elevation specified in this Agreement. The Vendor shall have the right, in its sole discretion, to construct the hereinbefore described Dwelling either as shown on the sales brochures, renderings and other plans and specifications approved by the Municipality or any other authority having jurisdiction over same, or, to construct such Dwelling on a reverse mirror image plan, including reversal of garage siting and reversal of interior floor plan layout. Construction of a reverse mirror image Dwelling plan is hereby irrevocably accepted by the Purchaser without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligations as to construction of the Dwelling type hereinbefore described. Further, in the event the Vendor determines, at its sole discretion, to construct the Dwelling at a grade level different than as depicted in the plans or drawings attached hereto, sales brochures, renderings or any other plans and specifications whether or not approved by the Municipality or any other authority having jurisdiction over same, necessitating a step, landing or series of steps to the front door, side door, rear door, or any door from the garage to the interior of the Dwelling (said door from garage to the interior will not be installed where number of risers exceeds 2 risers) or to relocate and/or remove any side door, rear door or door from the garage to the interior of the Dwelling, the Purchaser hereby irrevocably agrees to accept such changes without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligation as to construction of the Dwelling type hereinbefore described.
- d) The Purchaser hereby acknowledges that complete engineering data in respect of the Municipally approved final grading of the Property may not, as yet, be complete and accordingly, it may not be possible to construct a Dwelling with a walk-out basement, look-out or rear deck where so indicated in this Agreement, or vice versa. In the event this Agreement calls for a walk-out basement, look-out or rear deck and such is not possible or reasonable in the Vendor's opinion or in the event this Agreement does not call for a walk-out basement, look-out or rear deck and such is required, pursuant to final approved grading and engineering plans, the Purchaser shall accept a credit in the Purchase Price, or, pay the additional cost involved in constructing such walk-out basement, look-out or rear deck, as the case may be (such costs shall be absolutely determined by the Vendor).
- e) The Purchaser acknowledges that certain lots within the subdivision may, at the Vendor's sole, absolute and unfettered discretion, require catch basins in the rear or front yard and associated leads, drainage systems, weeping pipe/sump pump systems, retaining walls, fencing, sidewalks landscaping and other subdivision enhancement features, and the Purchaser covenants and agrees that in the event the Property contains any of the foregoing items, on/after the Closing Date, the Purchaser shall maintain all such items in proper working condition. Additionally, the Purchaser is advised that electricity transformers, super mailbox, telecommunication pedestals, street light poles and hydrants and other utility infrastructure may front onto or be located within certain lots (including the Property) within the Subdivision. The Purchaser agrees to accept the Property subject to any catch basins and associated leads, drainage systems, weeping pipe/sump pump systems, retaining walls, fencing, landscaping, sidewalks and other subdivision enhancement features, and that electricity transformers, super mailbox, telecommunication pedestals, street light poles and hydrants required pursuant to the municipally approved plan and the Purchaser covenants and agrees to maintain all foregoing items in proper working order in the event the Property contains such items.
- f) In the event the Purchaser completes this transaction and occupies the Dwelling at a time prior to the Vendor completing all of its work or construction within the Subdivision, the Purchaser covenants and agrees to permit the Vendor and its agents and subtrades to enter upon the Property for the purposes of completing work on the Property, an adjoining property or other properties in the Subdivision and the Purchaser shall not interfere with any work or construction being so performed by the Vendor, the Subdivider and their agents and subtrades. The Purchaser agrees that this covenant may be pleaded by the Vendor as an estoppel to any action or opposition by the Purchaser.

- g) The Purchaser covenants and agrees that he shall pay to the Vendor for all extras, upgrades or changes ordered by the Purchaser in accordance with the terms of any documents/agreements pertaining to the purchase of said extras, upgrades or changes and the Purchaser further acknowledges and agrees that such payment is non-refundable in the event that this transaction is not completed as a result of any default hereunder of the Purchaser. Notwithstanding anything herein contained to the contrary, the Purchaser acknowledges and agrees that if, upon Closing, any of the extras, upgrades or changes ordered by the Purchaser remain incomplete in whole or in part or if the Vendor shall, in its sole discretion, determine that it will not provide extras, upgrades or changes or cannot complete the extras, upgrades or changes then there shall be refunded or credited to the Purchaser that portion of the amount paid by the Purchaser in connection with such extras, upgrades or changes allocated to those extras, upgrades or changes which remain incomplete in whole or in part as aforesaid, as determined by the Vendor. The Purchaser further acknowledges and agrees that the amount so paid to the Purchaser (or for which, in the alternative, in the Vendor's discretion, the Purchaser received credit in the Statement of Adjustments) shall be accepted by the Purchaser as full and final settlement of any claim by the Purchaser with respect to the extras, upgrades or changes which remain incomplete as aforesaid. The Purchaser further acknowledges that the Vendor's liability with respect to such incomplete extras, upgrades or changes shall be limited to the return of the amounts referred to aforesaid and, thereafter, there shall be no further liability upon the Vendor in connection with such incomplete extras, upgrades or changes and upon such payment being made or credit being given, the Vendor shall be released from any and all obligation, claims or demands whatsoever with respect to such incomplete extras, upgrades or changes. In the event the Purchaser neglects to advise the Vendor forthwith upon request as to the Purchaser's selection of finishing specifications, or orders any extras, upgrades in interior finishings, or performs any work in or about the Dwelling which causes delay in the Vendor's construction operations, the Vendor may require the Purchaser to complete this transaction on the Closing herein set out without holdback of any part of the Purchase Price, on the Vendor's undertaking to complete any of the Vendor's outstanding work.
- h) The Vendor is not responsible for shade difference occurring in the manufacture of items such as, but not limited to, finishing materials or products such as carpet, floor tiles, roof shingles, brick, cement board, aluminum or vinyl siding, bath tubs, water closets, sinks, stone, stucco and other such products where the product manufacturer establishes the standard for such finishes. The Vendor is also not responsible for colour variations or variations in material characteristics or features such as veining, grain or grain direction, knotting etc. in natural products or the finishes on natural products such as but not limited to marble, granite, hardwood flooring, kitchen cabinets, wood stair railings, steps, spindles, trim, nosings, thresholds as well as stains or finishes applied to any of the aforesaid which colours may vary when finishes are applied to them. Nor shall the Vendor be responsible for shade difference in colour of components manufactured from different materials but which components are designed to be assembled into either one product or installed in conjunction with another product such as but not limited to toilet seats, toilets, bathtubs, cabinet finishes, stain and paint and in these circumstances the product as manufactured shall be accepted by the Purchaser. Purchaser acknowledges and agrees that (i) carpeting may be seamed in certain circumstances and said seams may be visible; (ii) hardwood, engineered flooring, laminate or other flooring materials may react to normal fluctuating humidity levels contributing to shrinkage and gapping or expansion or cupping, and (iii) there may be different levels of flooring which may require transition strips, nosings or thresholds, and the Purchaser agrees that in any of the foregoing eventualities are considered to be acceptable by industry standards and the Purchaser shall make no claim whatsoever against the Vendor in the event of same.
- i) All dimensions and specifications and elevation renderings on sales brochures and other sales aides are artists' concepts only and are approximate and subject to modification without prior notice at the sole discretion of the Vendor in compliance with the Ontario Building Code. The designation of door swings, including entrance doors and doors from the garage to the interior of the Dwelling, if any, in any schedules attached hereto or sales brochures or attached to colour chart(s) and other sales aides are conceptual only and are subject to modification without prior notice at the sole discretion of the Vendor. The Purchaser acknowledges and agrees that attic hatches or access points may be located within any location determined by the Vendor in its sole discretion, including without limitation, within any hallway, room, closet or interior wall. The location of mechanical installations may not be as shown (or not shown, as the case may be) on sales documentation and will be located in accordance with approved plans and/or good construction practice and may result in room size or garage size reduction caused by the mechanicals being installed. The Purchaser acknowledges being advised by the Vendor that the Vendor has experienced a high rate of theft of air-conditioning units when they are installed prior to the Closing. Accordingly, the Purchaser acknowledges that if the Agreement herein calls for the Vendor to install an air-conditioning unit, the Vendor has the right to install that unit, in accordance with the Agreement, within 7 days after the Closing, weather permitting. The Purchaser shall not be entitled to any holdback on account of the Purchase Price notwithstanding that the air-conditioning unit is not installed at the Closing. Notwithstanding the foregoing, in the event that the Purchaser requires the air-conditioning unit to be installed prior to the Closing, the Purchaser shall make written request therefor, such request to be received not later than 30 days prior to the Closing by way of separate written request addressed to the Vendor's solicitor and the Purchaser acknowledges that the Purchaser shall assume all liability for the air-conditioning unit in the event that it is stolen after its installation prior to the Closing and the Vendor shall not be obliged to replace same nor shall there be any adjustment in the Purchase Price with respect thereto.
- j) In the case of the purchase of a townhome by the Purchaser (if applicable) the Purchaser acknowledges that: the concept plans displayed in the sales office and/or in promotional brochures or media (including any websites), do not necessarily represent any specific block to be built by the Vendor; the Vendor has not artistically rendered all block scenarios and combinations of model types available; final block plans will feature similar but not necessarily identical architectural details; variances from block to block will reflect, amongst other things, the number of units in respective blocks, final siting combinations of actual model types within respective blocks, roof designs that evolve in conjunction with the combination of various model types constituting specific blocks, unit stepping due to grading within respective blocks and the location of required partywalls and firewalls (if applicable) per respective block plan.
- k) Where any portion of any fence is within 0.45 metres of the Property line, such fence shall be deemed not to be an encroachment at that point (the "Permitted Encroachment") and the Purchaser agrees to accept title to the Property and to complete the sale contemplated herein, without abatement of the Purchase Price. If any portion of any fence is not deemed to be a Permitted Encroachment (an "Unpermitted Encroachment") then the Purchaser shall complete the transaction herein either upon the Vendor's undertaking to take all reasonable lawful steps to remove the Unpermitted Encroachment; or, at the Vendor's sole option, upon an abatement in the Purchase Price, such abatement to be calculated by multiplying the Purchase Price by the ratio of the area of the Unpermitted Encroachment to the total area of the Property. Despite anything hereinbefore set out, the whole of any fence erected by any governmental authority, utility or railway or pursuant to any Subdivision, Site Plan or Development Agreement shall be deemed to be a Permitted Encroachment and the Purchaser agrees to maintain all such fencing to the satisfaction of the appropriate authority.
- l) Where a dwelling type has a sunken foyer, landing or hallway leading to a front and/or rear porch (at the front and/or rear door entry), and/or basement door, the ceiling area below the porch slab and other relevant areas will be reduced and this height may vary up or down, caused by the number of risers from the main floor to the dropped landing, as per applicable plan. Notwithstanding that the sales aids, such as brochure plans or sketches may refer to these areas as cold rooms, storage areas, cantinas or fruit cellars, they shall be treated and referred to as crawl space, notwithstanding that the Purchaser may be desirous of using this space for other purposes. The Purchaser hereby acknowledges these facts and accepts the Dwelling as built and will make no claims whatsoever relevant thereto. Furthermore, any reference to ceiling heights in this Agreement, the schedules attached hereto or in sales material, if any, shall mean the approximate height and such heights will be reduced by sound attenuation features, finishes of floors and ceilings and installations such as bulkheads, etc..
- m) In the event that the Dwelling includes stucco to be installed on the exterior of the Dwelling, the Purchaser acknowledges that there may be a variance in accordance with Taron standards, which the Purchaser agrees to accept, without objection or claim for compensation. In the event that the Dwelling includes stucco to be installed on the exterior of the Dwelling, the Purchaser acknowledges that there may be variance in the colour of such stucco and that the Vendor shall choose, in its sole, absolute and unfettered discretion, the texture of such stucco, and the Purchaser agrees to accept same without objection or claim for compensation.

- n) The Purchaser acknowledges and agrees that drainage holes may be required, as determined and where required by the Vendor, on all or any of the exterior finishing and/or cladding of the Dwelling.
- o) The Purchaser acknowledges and agrees that the Vendor may insert or add any items, including without limitation, windows, columns, conduits, beams, posts and/or bulkheads within the Dwelling and/or remove, change, delete, vary, alter or modify the number, size and location of any of the foregoing items from the number, size and/or location of same as displayed or illustrated in any promotional material or information which may include, without limitation, sales brochure(s), model(s), rendering(s), vignette(s) and/or floor plan(s) previously delivered or shown to the Purchaser or to the public (regardless of the extent or impact thereof).

Unless expressly provided in this Agreement, the hot water heater/tank and related equipment, the heat pump and all other heating and ventilation equipment and any other equipment or included in any schedule attached hereto as rental equipment (the "Equipment") for the Dwelling, if any, is not included in the Purchase Price and shall remain chattel property. The Purchaser acknowledges that (i) the Equipment may be non-owned (ii) the terms governing the lease/rental for the Equipment will be provided by the Vendor prior to closing and the Purchaser may be required to execute a lease/rental document containing the terms prior to closing; and (iii) the terms of the lease/rental may contain a buy-out option allowing the Purchaser to purchase the Equipment if desired. If any provider of the Equipment no longer rents the Equipment and if arrangements are not made with another supplier for the installation of the Equipment on a rental basis, then notwithstanding anything to the contrary in this Agreement, the Purchaser shall pay, as an adjustment on closing, the cost of the Equipment, such cost to be determined by the Vendor.

5. COMPLETION AND ONTARIO NEW HOME WARRANTIES INSPECTION

- a) The Purchaser or its designate shall inspect the Dwelling, such inspection hereinafter referred to as the Pre-Delivery Inspection (the "PDI") prior to the Closing Date with a representative of the Vendor at a time appointed by the Vendor and the parties shall indicate on the face of the Warranty Act's Certificate of Completion and Possession Form (the "Certificate"), the approval of the Purchaser, which shall be subject only to the completion of seasonal work, and any items uncompleted, and listed thereon (or on an addendum thereto), and save as to such list the Purchaser shall be conclusively deemed to have accepted the Dwelling as complete in accordance with this Agreement. The Purchaser covenants and agrees that, on or before the PDI, the Purchaser shall access and review all materials within the online Learning Hub of Tarion Warranty Corporation ("Tarion") including, without limitation, any and all modules, brochures and/or materials. The Vendor will complete all matters set out in the said Certificate as soon as reasonably practicable. Further, the Vendor agrees to rectify any defects in materials or workmanship covered by the Warranty Act's warranty issued to the Purchaser as soon as reasonably practicable after the same will have been called to the Vendor's attention by notice in writing and in accordance with the guidelines of Tarion. Except for the aforementioned inspection with the Vendor's representative, the Purchaser shall not enter (and shall not direct or cause anyone to enter) the Property and the Dwelling until the Purchaser has completed his obligations under this Agreement on the Closing Date. The Purchaser shall provide the Vendor with written notice, at least 5 days prior to the date appointed by the Vendor for the PDI, irrevocably appointing the Purchaser's designate, if any. If the Purchaser appoints a designate to the PDI, the Purchaser acknowledges, covenants and agrees that the Purchaser shall be bound by all of the documentation executed by such designate to the same degree and with the force and effect as if executed by the Purchaser directly. Furthermore, the Purchaser acknowledges, covenants and agrees that the Purchaser shall execute any confirmation or statements if and as required by the Vendor from time to time confirming the Purchaser has reviewed the online Learning Hub.
- b) The completion of the foregoing inspection and the preparation and endorsement of the Certificate are conditions of the Vendor's obligation to complete this transaction. Failure by the Purchaser to attend at the appointed time for the inspection and to complete the Certificate shall be deemed to be a default by the Purchaser under this Agreement. The Vendor, at its sole option, may thereupon either terminate the transaction, re-schedule the inspection subject to an administrative fee of **\$250.00** plus Applicable Taxes, payable to the Vendor, or may elect to complete the Certificate on behalf of the Purchaser. The Purchaser hereby irrevocably nominates, constitutes and appoints the Vendor or any of its authorized signing officers to be and act as his lawful attorney in the Purchaser's name, place and stead for this purpose.
- c) The Purchaser agrees to forthwith upon request do all acts and execute and deliver all documents, both before and after Closing, as may be required by the Vendor or the relevant municipality (the "Municipality") in connection with the acceptance of the subdivision as a whole by the Municipality.
- d) Keys will be released to the Purchaser at the construction site or the sales office or any other location designated by the Vendor, as the Vendor in its sole, absolute discretion determines, unless otherwise specifically agreed in writing between the Vendor and the Purchaser. The Purchaser agrees that the Vendor's advice that keys are available for release to the Purchaser constitutes a valid tender of keys on the Purchaser. Upon completion of this transaction, if the Purchaser fails to attend to pick up the keys by four o'clock (4:00) p.m. on that day, the Vendor may retain the keys and release same to the Purchaser on the next business day (in this Agreement the term "business day" or "business days" shall mean Monday to Friday, excluding statutory holidays in the Province of Ontario).

6. CONVEYANCE

In the event the Vendor is unable to deliver to the Purchaser on or before Closing a conveyance of the Property free and clear of all encumbrances save as may be provided for in this Agreement, for any reason whatsoever, the Vendor at its option may require the Purchaser to pay the Vendor the balance due on Closing, which shall be deposited with the Vendor's solicitors in trust, with the interest earned to the benefit of the Vendor, and take possession of the Property on the Vendor's undertaking to deliver a conveyance in accordance with the provisions of this Agreement within such period as the Vendor may require and execute the Vendor's Possession Undertaking. From and after the date of possession the Purchaser shall be responsible for realty taxes, water, electricity, gas and other public or private utilities and payment to the Vendor of interest on the unpaid Purchase Price at the same rate of interest that the Purchaser is being charged by his lender as confirmed by the Purchaser providing to the Vendor's solicitor a copy of the Purchaser's mortgage commitment. The parties further agree that upon the Vendor delivering to the Purchaser a conveyance in accordance with the terms of this Agreement, the monies held in trust shall be released to the Vendor and any further adjustments that may be required shall be made at the time of the delivery of the conveyance. The Vendor's solicitor shall undertake to the Purchaser not to release such monies to the Vendor until the Vendor has delivered a conveyance to the Purchaser in accordance with the terms of this Agreement.

Furthermore, title to the Property may be subject to encroachments by portions of the buildings located on abutting lands, including eaves, eavestroughing, downpipes, or other attachments to the roofs, footings, drainage pipes, utility meters and other projections of the buildings, and the Purchaser further acknowledges that portions of the Dwelling may encroach onto abutting lands where the right to do so exists. The Purchaser accepts legal access to the subject Property even though it may be restricted by 0.3 metre reserves owned by the Municipality and not yet dedicated as public highway. The Purchaser is not to call for the production of any title deeds, abstract or other evidence of title except as are in the possession of the Vendor. The Purchaser is to be allowed 60 days prior to the Closing, to examine the title at his own expense and if, within that time, any valid objection to title is made in writing to the Vendor which the Vendor shall be unable or unwilling to remove and which the Purchaser will not waive this Agreement shall, notwithstanding any intermediate act or negotiations be void and the deposit monies shall be returned, with interest, and the Vendor and the Broker shall not be liable for any damages or costs whatsoever. The Purchaser acknowledges and agrees that the Vendor shall be entitled to respond to some or all of the requisitions submitted by the Purchaser through the use of a standard title memorandum or title advice statement prepared by the Vendor's solicitors and that the same shall constitute satisfactory manner of responding to the Purchaser's requisitions. Further, the Purchaser agrees that in the event that any valid requisition is not sufficiently answered by the Vendor, then the requisition shall be deemed sufficiently answered if a title insurance policy, available for issuance to the Purchaser by any company which issues title insurance policies in Ontario, would insure over the title matter which is being requisitioned.
- b) The Purchaser agrees to accept the Property subject to municipal regulations and restrictions now or hereafter affecting the ownership or use of the Property and the Purchaser shall observe and comply with the said regulations and restrictions and with the terms and obligations imposed by any subdivision or development agreement. The Purchaser agrees to accept title to the Property subject to any easements or licences for the installation of the maintenance of public or other utilities including, without limitation, telephone, electricity, gas, sewer, sump pumps, water and cable television, as well as any rights or easements reserved by the Vendor and/or granted in favour of other lands for maintenance purposes, drainage and roof overhangs, downpipes, footings, drainage pipes, sump pumps, utility meters and other projections of the Dwelling, if necessary on or about the Property. The Purchaser shall execute any easements required for the said purposes upon being requested by the Vendor both before or after Closing. The Purchaser acknowledges that the Transfer/Deed of the Property may reserve such rights and easements. In the event the Municipality or any other governmental authority or the Vendor requires the granting of maintenance and/or private drainage easements which have not been created on or before Closing, the Purchaser shall execute and deliver to the Vendor on Closing an Acknowledgement and Direction authorizing and directing the Vendor to register after Closing any such easements on behalf of the Purchaser. The Purchaser agrees to accept title to the Property subject to any easements, rights of way, licenses, agreements with the local municipality, regional or county municipality or other tier of municipal government having jurisdiction with respect to future services to be installed, or any other purpose.

- c) In the event the Property abuts land owned by any government, utility, or railway such authority may require fences, entrance gates or other structures to be located within the Property line and the Purchaser agrees to accept same and agrees to maintain same, if required by such authority.
- d) The Purchaser acknowledges that title may be conveyed directly from the Subdivider of the lands, or from another person or entity (the "Transferor") and not the Vendor, and the Purchaser hereby releases the Subdivider or the Transferor, as the case may be, from all obligation, liability and responsibility whatsoever arising out of or associated with this Agreement, the construction of the Dwelling, the installation of all other improvements within the lot boundaries and the conveyance of title to the Property to the Purchaser, and the Purchaser agrees to execute and deliver on Closing a separate acknowledgment and release in favour of the Subdivider or the Transferor, as the case may be, to this effect. Furthermore, in the event that the Vendor is not the registered owner of the Property, the Purchaser agrees to accept a conveyance of title from the registered owner in lieu of the Vendor and the Purchaser acknowledges and agrees that the consideration shown on the transfer of title is the consideration paid by the Purchaser to the Vendor and not to such registered owner, and that such registered owner has no contractual or other obligation or liability whatsoever to the Purchaser.
- e) In the event any mortgages are outstanding on Closing the discharge of which is the Vendor's obligation, the Purchaser agrees to accept the Vendor's solicitor's undertaking to obtain and register the discharge of the same within a reasonable period of time after Closing in full satisfaction of the Vendor's obligation in that regard.
- f) The Purchaser agrees to confirm the name, address and telephone number of his solicitor to the Vendor or its solicitor in writing no later than ninety (90) days prior to the Closing. Should the Purchaser fail to provide this information and/or during such 90 day period change solicitors, the Purchaser may be charged a fee plus Applicable Taxes on the Statement of Adjustments, as determined by the Vendor and/or its solicitor. The Purchaser agrees to provide the Vendor's solicitor with a written direction as to whom title is to be conveyed no later than sixty (60) days prior to the Closing, failing which, the Vendor is hereby directed to convey title to the Purchaser(s) set forth and named in this Agreement. Prior to Closing, the Purchaser covenants not to register this Agreement or any other document on title to the Property.
- g) If, on or after registration of the Plan of Subdivision or such other land severance or lot creation process, the lot number or municipal address of the Property is changed, the Purchaser agrees to accept such variation in lot number and municipal address and this Agreement shall be read with all amendments required thereby.
- h) The Purchaser agrees to accept title to the Property subject to any Certificates of Property Use, Notice of Requirement or other notices or directives of any governmental authority, including, without limitation the Ministry of the Environment, provided that the Vendor or the Property, as the case may be, is in compliance thereof.
- i) The Purchaser agrees to accept title to the Property subject to any easements, rights-of-way, easement agreements and/or any other agreements with or in favour of the Ministry of Transportation and/or other governmental authorities.
- j) The Purchaser agrees to accept title to the Property subject to any specific and/or blanket easements, right-of-way, easement agreements and/or other agreements with or in favour of utilities, other lots and/or other applicable entities for installation and/or maintenance of services, telecommunication, cable television systems, and all related or appurtenant equipment.
- k) The Purchaser agrees to accept title to the Property subject to any easements, rights-of-way, easement agreements, development agreements, subdivision agreements or site plan agreements and any other agreements with the Municipality or other governmental body or agency having jurisdiction, applicable by-laws whether registered or not.
- l) The Purchaser agrees to accept title to the Property subject to any agreement(s), easement(s), covenants and restrictions between or among the Vendor on its behalf and on behalf of the owner(s) of improvements constructed or to be constructed on lands adjoining or in the vicinity of the Property and/or Subdivision.
- m) The Purchaser agrees to accept title to the Property subject to any agreement(s), covenants and restrictions that prohibit or restrict, inter alia, any changes to landscaping on the Property and any changes to the esthetics of the external Dwelling features from that as provided by the Vendor.

8. SUBDIVISION/DEVELOPMENT AGREEMENT REQUIREMENTS

- a) The Purchaser acknowledges and agrees that title may on Closing be subject to one or more subdivision or other development agreements and that the Subdivider has agreed at its own expense to construct, install and pay for roads, sanitary sewers, water mains and all other services in accordance with the requirements of the Municipality, which the Vendor herein is not responsible to construct, install or pay for. The Purchaser agrees that the Vendor shall not be obligated on Closing or thereafter to obtain releases of such subdivision or other development agreements provided that the same have been complied with as of the Closing and the Purchaser shall satisfy himself as to compliance.
- b) The Purchaser hereby acknowledges receipt of notice from the Vendor that the Vendor and/or the Subdivider or a company (or other entity) related, associated or affiliated with the Vendor, or any entity or person with the consent of the Vendor, may apply for re-zonings, severances, part lot control exempting by-laws, minor variances, site plan approvals, development approvals or official plan amendments or any similar applications with respect to blocks or lots not purchased hereunder as laid down by the Plan of Subdivision or with regard to the lands adjacent to or near the lands laid down by the Plan of Subdivision, the Purchaser and the Purchaser's successors and assigns, shall consent to any such application and agrees that this paragraph may be pleaded as a bar to any objection by the Purchaser to such re-zonings, severances, part lot control exempting by-laws, minor variances, site plan approvals, development approvals, official plan amendments, signage by-law variances, signage approval applications or any similar applications. The Purchaser further acknowledges that the Vendor or a company (or other entity) related, associated or affiliated with the Vendor, or any entity or person with the consent of the Vendor, may make any such application without any further notice to the Purchaser or the Purchaser's successors and assigns. The Vendor shall have the right to remove any objection(s) made by the Purchaser, the Purchaser's successors and assigns, with respect to any such application and the Purchaser shall reimburse the Vendor for all legal fees, expenses and costs that it incurs as a result of such objection(s). The Purchaser covenants to include the provisions of this clause in any conveyance or disposition, other than a charge or mortgage, of the Property and upon request by the Vendor to assign the benefit of such covenant to the Vendor or a company (or other entity) related, associated or affiliated with the Vendor. The Purchaser shall insert this clause in all agreements of purchase and sale and leases in respect of the Property. The Vendor may, at its sole, absolute and unfettered discretion, register a restriction on title to the Property, for such term as determined by the Vendor in its sole, absolute and unfettered discretion, containing the terms of this provision or language similar thereto and/or include same in the transfer/deed to the Property. The Purchaser covenants and agrees to accept title to the Property subject to said restriction and to accept the transfer/deed containing this provision or language similar thereto.
- c) The Purchaser acknowledges and agrees that the relevant governing authorities and/or any subdivision or development agreements may require the Vendor to provide the Purchaser with certain notices ("Notices"), including, without limitation, notices regarding land usage, landscaping, maintenance of fencing, school transportation, noise and vibration warning resulting from existing or proposed highways and public transportation systems or corridors, railways, garbage, buffers, school pick-up, transit routes, bus-stops and/or shelter locations, in some instances the absence of door-to-door mail delivery, the location of "super mailboxes", and in general, any other matter that may be deemed by the Municipality to inhibit the enjoyment by the Purchaser of this Property. Such Notices, when available, may be delivered to the Purchaser in accordance with the notice provisions herein and delivery in accordance with any methods described in said notice provisions shall be deemed to constitute appropriate notification of the Purchaser. The Purchaser agrees to be bound by the contents of any such Notices and covenants to execute forthwith upon request, an acknowledgment containing such Notices if and when requested to do so by the Vendor. In the event any subdivision agreement or other development, site plan or similar agreement is not registered as of the date of acceptance of this Agreement, and therefore the Notices are not yet available, or if after they are available, they are amended by the Municipality, or are inadvertently omitted or misquoted by the Vendor and if the Municipality requires the Purchaser to receive a copy of the Notices, then a copy of the Notices as revised as necessary, shall be emailed to the Purchaser's email address as provided for in this Agreement or to the Purchaser's solicitor and such emailing shall be deemed to constitute appropriate notification. Without limiting the generality of the foregoing, to the extent that any Notices are provided to the Purchaser by the Vendor after this Agreement has been made, such Notices shall be deemed to have been included in this Agreement at the time that this Agreement has been made. The Purchaser acknowledges and agrees that any Notices and warning clauses may be registered on title to the Property, at the sole and absolute and unfettered discretion of the Vendor. Purchasers/tenants are advised that despite the inclusion of noise control features in this development area and within dwellings, noise levels from increasing road traffic from nearby roadways may be of concern occasionally interfering with some activities of the dwelling occupants.
- d) The Purchaser hereby unconditionally acknowledges that he/she is aware of the above matters and warning clauses and the notices set out in this Agreement and any schedule attached hereto and confirms that he/she does not object, in any manner whatsoever, to any of these matters and warning clauses nor to any of the notices set out in this Agreement or any schedule attached hereto nor will he/she be entitled to raise any objections with respect to the above matters and warning clauses or notices set out in this Agreement and any schedule attached hereto and the Purchaser hereby waives and releases any claims that the Purchaser may have against the Vendor with respect to the above matters, warning clauses and the notices set out in this Agreement and any schedule attached hereto and any additional notices and warning clauses as referred to at a future date.

9. DAMAGES BEFORE CLOSING

- a) All buildings and equipment shall be and remain at the Vendor's risk until Closing. In the event of any damage to the Dwelling, however caused, the Vendor shall be entitled to the insurance proceeds payable under any insurance policy coverage on the Dwelling.
- b) In the event that the Property or the Dwelling are substantially damaged or destroyed, and the Vendor's lender requires that insurance proceeds be applied to reduce its loan rather than to the reconstruction of the Dwelling and the Vendor does not have alternative financing arrangements satisfactory to the Vendor, in its sole, absolute and unfettered discretion, then the Purchaser and Vendor agree that such event shall constitute a frustration of this Agreement and the Purchaser's deposits shall be returned to the Purchaser with interest as required by law, without deduction, and the Vendor shall not be liable for any costs and/or damages incurred by the Purchaser thereby whatsoever, including, without limitation, costs and/or damages arising from (or in connection with) the termination of this transaction, by virtue of the frustration of this contract.

10. AFTER CLOSING

- a) In the event that after taking possession of the Dwelling, the Purchaser shall complete and/or install any additions and/or improvements such as, but not limited to, porches, patios, plantings, paved driveways, pools or hot tubs, curbs or fences which are located within 6 feet of an external wall or within any area which interfere with the Vendor or Subdivider installing any required services, the Purchaser will remove such addition and/or improvements within five (5) business days of written request from the Vendor and prior to the Vendor taking any corrective actions which it is required to take.
- b) In the event that after taking possession of the Dwelling, the Purchaser shall complete and/or install any improvements, additions or alterations thereto, including, but not limited to, finishing basement, wallpapering, cabinetry and/or mouldings and/or finishings, porch tiles or finishes, pools or hot tubs the Purchaser shall be required to remove such improvements, additions or alterations at his own expense, in the event that the Vendor shall be required to carry out any repairs or replacements to the Dwelling in the area of such improvements, additions or alterations.
- c) The Purchaser acknowledges that grading and sodding shall be done between June and October (weather permitting and subject to availability of supplies) of any year as per the Vendor's scheduling program. The Purchaser agrees that he shall be solely responsible for watering and general maintenance of sod from the Closing Date or from the date that sod is laid, whichever shall be the later, and the Vendor shall have no obligation in that regard. In the event the Vendor is, for any reason, required to replace laid sod, the Vendor shall not be obligated to do so until payment has been made therefor by the Purchaser and if so replaced, the Purchaser agrees to reimburse the Vendor for the costs and expenses of same as determined by the Vendor, which costs and expenses may be deducted from the Security Deposit at the Vendor's sole, absolute and unfettered discretion. Further, the Purchaser acknowledges that the order of closing of the Property and/or the order of completion or closing of other lots sold by the Vendor is not indicative of the order of sodding of the Property and said other lots.
- d) The Purchaser covenants to occupy the Dwelling forthwith after Closing. The Purchaser agrees not to finish the whole or any part of the basement of the Dwelling for a period of 24 months after the Closing Date or such longer period which is equivalent to the warranty period under the Warranty Act for basement repairs. The Purchaser hereby releases the Vendor from any liability whatsoever in respect of water damage to basement improvements and chattels stored in basement resulting from water seepage or leakage, including any consequential damages arising therefrom.
- e) The Purchaser acknowledges that the Vendor has a master key for the subdivision and in the event that the Purchaser wishes to change any locks, he may do so, at his own expense, any time after the Closing Date.
- f) If settlement occurs due to soil disturbances around the Dwelling, the walkways, driveways and sodded areas, all minor settlements shall be the responsibility of the Purchaser, and the Vendor will rectify any major settlement once only, and such work, unless of an emergency nature, will be completed when reasonably feasible and according to the Vendor's work program and availability of materials and tradesmen's services. The Vendor is not responsible for any damage to the Dwelling which the Vendor considers of a minor nature by reason of such settlement.
- g) No request by the Purchaser for homeowner service will be processed by the Vendor unless such request is in writing other than emergency service, such as no heat, no water or no electricity. In the event the Vendor is requested by the Purchaser to perform a homeowner service call for repairs relating to construction or work performed by the Vendor and the Vendor determines in its sole discretion that such repair is required due to any negligent act or omission either through the neglect or omission of the Purchaser, the Purchaser shall pay to the Vendor the sum of **\$350.00** per homeowner service call, plus the cost of all materials utilized by the Vendor in making such repair, plus Applicable Taxes thereon.
- h) The Purchaser agrees that after Closing, if required by the Municipality or any public or private utility such as the local electric authority, gas company, telecommunication or television system provider he will grant an easement for the installation and maintenance of such utilities, including without limitation, for sewers, water mains, electricity equipment and appurtenances, gas equipment and appurtenances, telephone equipment and appurtenances or any other similar installations.

11. BREACH OF CONTRACT

- a) Any breach by the Purchaser of any of the provisions of this Agreement shall entitle the Vendor, in addition to any rights or remedies that the Vendor may have in law or otherwise, to give notice to the Purchaser declaring this Agreement terminated, whereupon all deposit monies paid hereunder, and any monies paid for extras, shall be forfeited to the Vendor as liquidated damages and not as a penalty.

12. ASSIGNMENT

- a) The Purchaser represents to the Vendor upon which representation the Vendor has relied in accepting the Purchaser's offer that he is purchasing the property for his own personal use and not for short term speculative purposes. Prior to Closing the Purchaser covenants and agrees not to offer, list or advertise for sale, lease or transfer the Property, nor to sell, lease, assign or transfer the Purchaser's interest under this Agreement. The Purchaser further covenants and agrees not to post any signs for sale, or advise others that the Property is or may be available for sale, offer for sale or sell, the Property or to enter into any agreement, conditional or otherwise, to sell the Property, or any interest therein, nor to assign (without the Vendor's prior written consent) this Agreement or any interest herein, or the benefit thereof, nor to mortgage, deal with or in any way encumber the premises. In no event shall the Purchaser list, allow or cause to be listed for sale, lease, assignment or otherwise the Property or an interest under this Agreement on a listing service system including, without limitation, the Multiple Listing Service ("MLS") or on, by or through any other publication or medium, including, without limitation, any form of social media or through any website or application. The Purchaser will not any time prior to completing this transaction, register this Agreement, or any notice thereof, whether by caution or otherwise, or register a notice of Purchaser's lien against the Property. Any breach of the foregoing shall constitute a breach of this covenant which shall, at the Vendor's sole option, entitle the Vendor to terminate this Agreement and the Vendor shall be entitled to retain the deposit monies as liquidated damages and not as penalty in addition to and without prejudice to any other remedy available to the Vendor arising out of such default and the Purchaser shall have no further right to or interest in the Property.
- b) As a condition of giving its consent to any assignments of this agreement of purchase and sale by the Purchaser, the assignor/transferor and the assignee/transferee shall be required to execute and deliver to the Vendor the Vendor's standard form of assignment agreement and:
 - i. Pay the Vendor on the date of execution and delivery by the Purchaser of the assignment agreement, the Vendor's administration and processing fee of **TWENTY THOUSAND DOLLARS CDN (\$20,000.00)**, plus Applicable Taxes, together with any other applicable fees;
 - ii. The Vendor's solicitor's fee of **ONE THOUSAND FIVE HUNDRED DOLLARS CDN (\$1,500.00)**, plus Applicable Taxes;

 - iv. The assignor/transferor shall be required to have completed its color selection(s) (Stage 1 and Stage 2 selection(s)) and paid for any extras/upgrades (if applicable) and all payments for said extras/upgrades shall have cleared the recipient's bank.
 - v. Notwithstanding such assignment, the Purchaser shall not be relieved of its obligations herein.

13. UNLAWFUL WORKS

- a) In the event that the Purchaser shall without the consent in writing of the Vendor, enter upon the Property and carry out changes or additions to the Dwelling (the "Unlawful Works") being constructed by the Vendor, the Purchaser will forthwith pay to the Vendor the amount incurred by it in order to correct any damages caused by the installation or existence of the Unlawful Works including, without limiting the generality of the foregoing, time lost by the resulting delays and interest on monies invested, and at the Vendor's option it may declare this Agreement terminated. In addition to the foregoing, if the Unlawful Works shall be determined by any inspector having jurisdiction in that regard as not complying with the statutes, by-laws or regulations applying thereto, the Purchaser shall forthwith carry out any required work to remedy any such non-compliance and failing which, the Vendor, at its option may carry out such work at the expense of the Purchaser which he shall pay to the Vendor forthwith upon written request for payment for same and/or at the option of the Vendor, it may declare this Agreement terminated. The Purchaser agrees that anything constructed by the Vendor which is not accessible due to the Unlawful Works shall not be covered under the Warranty Act's warranties.
- b) In the event that the Vendor shall choose the option as set forth above to declare the Agreement terminated, it shall be entitled to retain the Purchaser's deposit paid plus the value of the Unlawful Works. The parties agree that the damages which may be suffered by the Vendor as a result of the Unlawful Works cannot be assessed monetarily and the retention of the deposit and Unlawful Works, shall be deemed to be liquidated damages and not a penalty. THE PURCHASER ACKNOWLEDGES THAT THE UNLAWFUL WORKS SHALL NOT BE COVERED UNDER THE WARRANTY ACT'S WARRANTIES.
- c) The Purchaser covenants and agrees that it will not be entitled nor permitted and shall at no time enter upon the subdivision or the Property prior to the Closing without the approval of the Vendor. Additionally, the Purchaser covenants and agrees that it shall not enter upon the Property or the subdivision prior to the Closing to supply any material and/or to perform any work or labour to or on the Dwelling or Property respectively. The Purchaser further covenants and agrees that the Vendor will not contract for the supply and installation of extras to the Dwelling to be constructed other than by way of written contract on a specific form supplied by the Vendor for that purpose within fourteen (14) days of the acceptance of this Agreement.
- d) The Purchaser shall not enter upon the Property at any time without the consent in writing of the Vendor or accompanied by a representative of the Vendor. Failure to comply with the foregoing shall constitute a trespass by the Purchaser on the Property and will entitle the Vendor to bring criminal or civil proceedings for such trespass against the Purchaser. In respect of any entry with the Vendor's prior written consent, the Purchaser agrees to comply with all regulations under the Occupational Health & Safety Act, including the wearing of head and foot protection and such other safety apparel as designated by the Vendor. The Purchaser further agrees to indemnify the Vendor against any damages, losses and fines incurred as a result of non-compliance with this provision by the Purchaser.

14. CONTRACT AND DEFAULT

The Purchaser shall be deemed to be in default under this Agreement if the Purchaser registers any instrument against title to the Property other than the transfer to be delivered by the Vendor, or if any lien, execution or encumbrance arising from any action or default whatsoever of the Purchaser is charged against or affects the Property.

The deposit monies are expressly deemed to be deposit monies only, and not partial payments. Default in payment of any amount payable pursuant to this Agreement on the date or within the time specified, shall constitute substantial default hereunder, and the Vendor shall have the right to terminate this Agreement and forfeit all deposit monies in full as liquidated damages and not as a penalty. Without prejudice to the Vendor's rights as to forfeiture of deposit monies as aforesaid, and in addition thereto, the Vendor shall have the right to recover from the Purchaser any monies owing to the Vendor pursuant to this Agreement and not paid to the Vendor in accordance with the terms hereof and/or all additional costs, losses and damages arising out of default on the part of the Purchaser pursuant to any provision contained in this Agreement, including interest thereon from the date of demand for payment at the rate of 12% per annum, calculated daily, not in advance, until paid. In the event this Agreement, in future, is amended in order to accelerate the Closing of the transaction or to change or alter the construction specifications of the Dwelling by giving the Purchaser a credit or reduction against the Purchase Price and the Purchaser fails to complete the transaction, all damages shall be assessed as if such amendment was not entered into. In the event any one or more of the provisions of this Agreement or any portion or portions thereof are invalid or unenforceable, the same shall be deemed to be deleted herefrom and shall not be deemed to affect the enforceability or validity of the balance of this Agreement. 17. HST CLAUSE

The Purchaser and Vendor agree that the harmonized sales tax (the "HST") applies to this transaction and the Purchase Price includes the HST, net of the federal and Ontario new housing rebates or the like (collectively the "Rebate"). The Purchaser shall assign in a form required by the Vendor and/or by any of the Government of Canada, Government of Ontario and/or any other governmental and/or tax authority (collectively, the "Government") to the Vendor (or to such other party as the Vendor may otherwise require or direct) all of the Purchaser's right, title and interest in the Rebate to which the Purchaser is entitled. In connection with such assignment, the Purchaser shall deliver to the Vendor (or to such other party as the Vendor may otherwise require or direct), upon request by the Vendor, on or after the Closing Date, such application, documents and affidavits as may be required by the Vendor and/or the Government to establish the Purchaser's entitlement to the Rebate. If the Purchaser is not entitled to the Rebate for any reason whatsoever or if the Rebate is reduced or withdrawn by the Government and not replaced with an amount equivalent to the amount of the Rebate to which the Purchaser is entitled by the Government or if the Rebate is not or cannot be assigned to the Vendor (or to such other party as the Vendor may otherwise require or direct) or the Rebate is claimed and payment/credit of the Rebate to the Vendor (or to such other party as the Vendor may otherwise require or direct) is denied by the Government or if, following the Closing Date, the Vendor (or such other party identified by the Vendor) believes that the Purchaser does not qualify for the Rebate for whatever reason, including, without limitation, the Property being offered, listed or advertised for sale, lease or transfer privately or otherwise on a listing service system, then, the Purchaser shall forthwith upon demand by the Vendor pay to the Vendor (or to such other party as the Vendor may otherwise require or direct) an amount equal to the Rebate or the amount so reduced or withdrawn and until so paid, the amount of the Rebate shall form a charge against the Property which charge shall be recoverable by the Vendor (or by such other party identified by the Vendor) in the same manner as a mortgage in default. If the Vendor (or such other party identified by the Vendor) does not receive the full benefit of the Rebate for any reason whatsoever, whether or not as a result of the Purchaser's acts or omissions, the Purchaser shall indemnify and save the Vendor (or such other party identified by the Vendor) harmless in the amount that the Vendor (or such other party identified by the Vendor) would have been entitled to had such Rebate been received, together with all interest and penalties thereon, and all losses, costs, damages and liabilities which the Vendor (or such other party identified by the Vendor) may suffer, incur or be charged with in connection therewith, as a result of the Purchaser's failure to qualify for the Rebate, or as a result of the Purchaser having qualified initially but being subsequently disentitled to the Rebate, or as a result of the inability to assign the benefit of the Rebate to the Vendor (or to such other party as the Vendor may otherwise require or direct), or as a result of the ineffectiveness of the documents purporting to assign the benefit of the Rebate to the Vendor (or to such other party as the Vendor may have otherwise required or directed), which indemnity shall survive the Closing Date. Notwithstanding anything herein contained to the contrary, the Vendor shall have the right to register a Vendor's Lien for the amount of the Rebate against the Property immediately following the Closing Date to secure the Vendor's entitlement (or the entitlement of such other party as may be identified by the Vendor) to the Rebate as herein provided. The Purchaser acknowledges and agrees that the Purchaser shall not be entitled to any refund, credit or abatement in any manner whatsoever should the HST, or any portion thereof, not apply to this transaction for any reason whatsoever. The HST that is included in the Purchase Price is based on the federal portion and the provincial portion of the HST at the rates of 5% and 8%, respectively. If either or both of the rates increase, the Purchaser shall be responsible for the increase and shall pay same as an adjustment on the Closing Date, and if either or both of the rates decrease, the Purchaser shall not be entitled to any abatement or reduction of the Purchase Price. Notwithstanding that the Purchase Price is inclusive of the HST net of the Rebate as aforesaid, the Purchaser, shall, at the Purchaser's own cost and expense, be responsible for the payment of the HST and all other taxes, value added taxes, sales taxes, use taxes or transfer taxes and any increases thereof which may be applicable (collectively the "Applicable Taxes") on all closing adjustments and amounts payable for extras, changes, upgrades, fees and charges.

If the Vendor (or such other party identified by the Vendor) believes, for whatever reason, that the Purchaser does not qualify for the Rebate, regardless of any documentation provided by or on behalf of the Purchaser (including any statutory declaration sworn by the Purchaser) to the contrary, and the Vendor's (or such other party identified by the Vendor) belief or position on this matter is communicated to the Purchaser or the Purchaser's solicitor on or before the Closing Date, then notwithstanding anything hereinbefore or hereinafter provided to the contrary, the Purchaser shall be obliged to pay to the Vendor (or to whomsoever the Vendor may in writing direct), as an adjustment on Closing (or such other manner as may be determined by the Vendor in its sole, absolute and unfettered discretion), an amount equivalent to the Rebate, in addition to the Purchase Price. In those circumstances where the Purchaser maintains that he or she is eligible for the Rebate despite the Vendor's (or such other party identified by the Vendor) belief to the contrary, the Purchaser shall (after payment of the amount equivalent to the Rebate as aforesaid) be fully entitled to file the rebate form directly with (and pursue the procurement of the Rebate directly from) the Canada Revenue Agency.

The Purchaser acknowledges and agrees for any matter related to HST that is applicable to this transaction, including without limiting the generality of the foregoing, the Rebate, that the Vendor may designate another person (including the Subdivider or any party in which the Vendor is acting as the disclosed or undisclosed agent for when it entered into this Agreement of Purchase and Sale) to be listed as a party to the HST documentation and the Purchaser agrees to execute such HST documentation notwithstanding that a party other than the Vendor may be the recipient, addressee or beneficiary of the Rebate. Where the Vendor determines that such HST documentation is incomplete, incorrect or insufficient for the Rebate to be claimed, the Purchaser, without limiting the generality of Section above, hereby irrevocably nominates, constitutes and appoints the Vendor (and any other party as may be directed by the Vendor) as its duly authorized attorney, agent and representative to amend, correct and complete, as applicable, such HST documentation including the Rebate form.

Regardless of whether or not the Purchaser is a registrant under the Excise Tax Act, the Purchaser shall not be entitled to self-assess the HST payable in respect of this transaction.
